**AN INQUIRY.**—Is it not better to purchase Dr. Price's Cream Baking Powder and Special Flavorings, Ginger, Orange, Vanilla, etc., that have stood the test of years, than adulterated unhealthy articles because they are cheaper? Good pure articles must have a fair valuation, and that Dr. Price's are unequalled in quality and purity, no person who has ever used them will deny.

It is prescribed by eminent physicians in Chronic Affections of the Liver. For sale by all druggists. See advertisement in this issue.

**THE SECRET OF CAPTIVATION.**—Features of Grecian mould, a well turned nose and beautiful rounded arms, are no doubt very nice things to have, and ladies who possess these charms have reason to be thankful to Mother Nature; yet, after all, the most captivating of all womanly charms is a pure, fresh and brilliant complexion. This superlative fascination any lady may secure by using Hagan's Magnolia Balm, the standard beautifying preparation of the present age. It differs from all ordinary cosmetics in three most essential particulars, inasmuch as it contains no injurious ingredients, does not contract and shrivel the skin as all artificial "blonds," "roses," and "powders" eventually do, but produces a lasting loveliness by improving the health of the skin. Under its operation the skin acquires the appearance of bloom, smooth and the surface soft as velvet and fine as porcelain. Features cannot be changed, but complexion can, and it is quite certain that a lady with a clear, rosy complexion that is fresh and rosy complexion will attract more admiration in company than her neighbor with a classic face but a sallow skin.

**KUNKEL'S BITTER WINE OF IRON.**—Kunkel's Bitter Wine of Iron is guaranteed to cure the worst case of dyspepsia, liver complaint, jaundice, chronic or nervous debility, disease of the kidneys, and all diseases arising from a disordered liver and stomach, such as fullness of blood to the head, dizziness, nausea, vomiting, diarrhoea, or constipation, or in the stomach, sinking or flatulency at the pit of the stomach, swimming of the head, hurried or difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, yellowness of the skin, and for purifying the blood and building up the system in general.

**Price of the Bitter Wine of Iron, \$1.00,** every bottle guaranteed, or the money refunded. Beware of counterfeits, buy only Kunkel's, take no other; it is wrapped in a yellow wrapper around, with the proprietor's photograph on. All other is counterfeit.
